# THE COMMUNITY FOUNDATION OF SOUTH CENTRAL KENTUCKY

Dear Friends,

Our work at the Community Foundation of South Central Kentucky has allowed donors to establish charitable endowments, known as “Funds”, that help provide a strong, stable stream of resources to charities in our community in good economic times and in bad. Historically these endowments have been almost exclusively in the form of private foundations, which are expensive to create and administer. These costs have limited the availability of private foundations to only the wealthiest members of our community. Donors who may not have the benefit of their own private foundation were limited to outright gifts to their selected charities, and as a result, charitable giving was limited to only what was appropriate for current operations or the occasional building campaign, while larger gifts often left our community.

The Community Foundation changes that by making the benefits of a “private foundation” available to donors of all sizes. The primary role of the Community Foundation is to pool charitable funds to create a large community endowment for local charities. The overhead costs of administering the endowed funds are kept extremely low and are spread over the large pool of funds so that smaller endowments can be efficiently created. When the benefits

of using a “public foundation” are made available to all donors, an entirely new, and previously untapped source of charitable funds are reached and the Community Foundation’s goal of creating a community asset is achieved that will remain forever doing good. Let us help you leave a legacy!

Always looking forward,  
Jennifer L. Wethington  
Executive Director

## The Community Foundation of South Central Kentucky

Community foundations are one of the fastest-growing segments in the philanthropic sector, they offer a unique resource that provides individuals with the opportunity to realize their charitable goals and make a lasting impact on the community.

Community foundations play a key role in addressing community needs, now and in the future. We act as a community catalyst, bringing diverse voices and groups together to address local issues, and fostering greater giving and volunteering in our communities.

We build endowments to ensure grants support the community forever. We are governed by leaders with strong ties to our communities. Our work ties closely to that of nonprofits; we foster the development of new organizations and programs, support high-impact opportunities, and re-direct funds as community needs change.

We also offer linkages for a shared community vision, provide opportunities for diverse community perspectives, build collaborative networks, and increase opportunities to maximize human and financial capital.

As an independent, non-profit community organization, The Community Foundation of South Central Kentucky helps diverse donors support all areas of need in the community and beyond. Its mission is “to encourage philanthropic giving for positive impact upon our communities for now and

generations to come.” Over the past 21 years, the foundation has grown its assets to include more than \$6.4 million, holds 41 individual funds and has stewarded over \$1.8 million back to the community in grants.

### Mission

Our mission is to encourage philanthropic giving for positive impact upon our communities for now and generations to come.

### Our Work

We exist to help people support the causes they care about most. With one gift a donor can support multiple non-profits, receive the highest tax benefit and have the flexibility of giving various types of assets as donations.

We promote philanthropy, build & oversee a permanent collection of endowment funds and serve as a trustworthy partner and effective steward in response to community needs & opportunities while honoring donor intent.

### Structure And Governance

The Community Foundation of South Central Kentucky is a 501(c)(3) nonprofit organization, as defined by the IRS. We are governed by a distinguished Board of civic leaders. Charged with providing stewardship, the Board of Directors is vital to our work to broadly encourage and facilitate effective, meaningful philanthropy for the benefit of our community.

## Celebrating Philanthropy

The South Central Kentuckian of the Year award honors an individual or organization for excellence in leadership as demonstrated by outstanding initiative, impact of work and inspiration of others. Designed to honor people in the community who are making significant contributions through their life's work, the award celebrates those who make giving back a priority for themselves, their family or their business.

### 2017 South Central Kentuckians of the Year Col. Robert & Cora Jane Spiller

In 2017, Col. Robert and Cora Jane Spiller were honored as the South Central Kentuckian of the Year. Col. Spiller was born in Philadelphia, Pennsylvania and Cora Jane was born in Louisville, Kentucky in 1928. Cora Jane grew up in Bowling Green, Kentucky where she went to school from first grade through college graduation at Western Kentucky University where she met Bob in 1950. They were married in Bowling Green, Kentucky in 1951. For the next 30 years they moved around the world due to Col. Spiller's position in the service and ended up back in Warren County where they call home. Their dedication and service to this community has been shown through their involvement with the Salvation Army, The Boys & Girls Club of Bowling Green, The Houchins Center and the American Red Cross.

Each year, the recipient is honored at a luncheon, the proceeds of which benefit The Community Foundation of South Central Kentucky. The base of the award that is presented is each year is composed of salvaged limestone, originally quarried by the historic Murphy Brothers Company, a successful limestone quarry business started by four Irish immigrants in 1886. The Murphys quarried and cut stone for the street curbing for many communities, including Bowling Green.

When G. Michael Murphy, a descendent of one of the original brothers, began his construction career in 1976, any opportunity to salvage these "stones of the foundation of our community" was preserved as a memory of their family's business beginnings in South Central Kentucky. Just as the philanthropic work of the individuals who receive this award is foundational to their communities, the base of the award is intended to represent the purpose of The Community Foundation of South Central Kentucky

## Donor Spotlight

### Wynne Bloom - The Lawrence Bloom Donor Advised Fund

Lawrence Bloom and daughter Wynne Bloom.

As a small child, Wynne Bloom was the consummate “daddy’s girl”. Her father, Lawrence Bloom, was a beloved physician, and Wynne says it is from him that she inherited her love of medicine. Wynne recalled that “he was a classic country doctor—he would sometimes take a piece of pie or a dozen eggs in exchange for a house call”. Tragically, when Wynne was only five years old, her father passed away from heart complications. For Wynne, it was a moment she has never forgotten.

With his influence active in her life, Wynne went on to a 34 year career as a Medical Assistant in cardiac surgery, where she enjoyed the scope of the work, the continual pace of change and advancement, and most importantly, making a difference in the life of so many people. During her retirement, life brought Wynne to Bowling Green, Kentucky where she has resided the last seven years.

Wynne works closely with her financial advisor, Derek Hull of Wells Fargo Advisors, who is a past Chairman of the Board of Directors of The Community Foundation of South Central Kentucky. Needing to diversify a highly concentrated position in a single bank stock, Wynne and Derek were able to craft a strategy that allowed her to diversify her holdings, give back to her community and honor her beloved father. Utilizing a donor advised fund, named in honor of her father, Wynne was able to donate a portion of her appreciated stock to the foundation, resulting in a sizeable tax deduction which allowed her to further broaden an additional portion of her holdings without incurring a significant tax liability.

“This just made so much sense to me. I was able to help out this community, create a legacy for my father and save money on taxes”. Wynne has the flexibility with her donor advised fund to choose which non-profit organizations she will support each year and she can change the direction of her distributions from year to year. Wynne’s primary areas of interest include the American Heart Association and “anything helping children facing struggles”. The Community Foundation would like to thank Wynne Bloom for her generosity and support. We hope her story inspires others to explore ways they too can make a difference in our great community!

*What you leave behind is not  
what is engraved in stone  
monuments, but what is woven  
into the lives of others.*

## Building Community - \$250,000 Match Grant To Establish The Community Foundation's Sustainability

FOUNDATION'S NEW HOME  
810 COLLEGE STREET

The primary mission of the Community Foundation is to develop local philanthropic giving by providing the infrastructure to support charitable endowments that will benefit local charities. This is possible because the Community Foundation has made investments to obtain the knowledge, facilities, and technology to provide accounting, asset management, legal and other professional and technical services needed to professionally manage charitable endowments in today's complex regulatory environment.

The Community Foundation of South Central Kentucky plays a key role in addressing community needs, now and in the future. For us to continue this work and grow it to its full potential, we need to make additional investments in our infrastructure. The "Investing for the Future" Fund will allow us to sustain our existing momentum while also investing in our future by building a stronger foundation from which to grow. The

Laura Goad Turner Charitable Foundation has offered a match grant of \$250,000 to build our operations endowment, this match is dollar for dollar over the next five years, matching all dollars as they are donated to the Foundation. Gifts may be pledged and spread over the next five years. Donors will be recognized in our Annual Report each year and on our website, hoping to encourage others to support the work of the Foundation.

We will continue to act as a community catalyst bringing diverse voices and groups together to address local issues while also fostering greater giving and volunteerism in our communities. We will build endowments to ensure our grants support the community forever. Since our work ties closely to that of non-profits, we can help foster the development of new organizations and programs, support high-impact opportunities, and re-direct funds as needed. Our Business is building Community!

## Donor Helping build a favorite Nonprofit's Sustainability The Foundry Christian Community Center Fund

There are many ways to use the Community Foundation of South Central Kentucky to achieve your charitable goals. One of which is to establish a Nonprofit Endowment Fund to help support their sustainability forever!

The Foundry Christian Community Center Fund was established in 2016 by an anonymous donor who believed in the Foundry's mission to develop leaders among the children and young people of the West End of Bowling Green through education, health and fitness, and spiritual development. It has been shown that 70% of children living in extreme poverty test 'NOT READY' for kindergarten, showing that they start school at a disadvantage and most do not catch up. Studies also have shown that the foundation of a quality education leads to sustainable employment and to self-sufficiency. The Foundry is committed to preparing children to succeed educationally in a spiritually nurturing environment. The primary focus is on pre-school-aged children in poverty situations. These children often begin Kindergarten with an 18-month educational deficit that is almost impossible to overcome. Access to high-quality early education is essential to the success for these children. The cornerstone of their education strategy is a top-notch preschool along with educational components for various age groups: after-school tutoring, summer enrichment camps, a mentoring program with an area elementary school and parent education classes.

This Donor wanted to equip the Foundry in a way that could help sustain them forever, while providing a tool that allowed other donors to join in support. Building an endowment can be critically important to the future stability of a nonprofit organization. A donor can create a nonprofit endowment fund

at the Community Foundation that will support an organization in perpetuity. A Nonprofit Endowment pays out annually to the organization from the earnings on the investment of the gift. We preserve the principal. Endowments are subject to a spending plan, which is designed to increase charitable distributions each year, while preserving the purchasing power of the original gift. The Nonprofit benefits from lower investment and administrative costs resulting from our economies of scale.

Another benefit of establishing a Nonprofit Endowment for your favorite charity through the Community Foundation, is we can help facilitate complex gifts from other donors, such as real estate and closely held business interests, that most nonprofits otherwise may not be able to accept, along with any bequest a donor may want to leave to the nonprofit.

**The Community Foundation continues to seek new and innovative ways to meet the needs of charitable donors. As the community's permanent "Charitable Investment Firm," our primary purpose is to work with donors who wish to return a portion of their resources to the community. Many donors choose to give through the Foundation because of the advantages a community foundation offers.**

### **Permanent Guardianship of Gifts**

A gift to the Foundation may establish, or be added to, an endowment fund. Endowment funds are structured to serve their charitable purpose(s) in perpetuity. The amount available for distribution is carefully established by the Foundation to ensure the preservation and long-term growth of each endowment fund. Donors appreciate knowing that their contributions will extend beyond their lifetimes and will be carefully safeguarded to serve the community as originally intended.

### **Maximum Tax Deductibility**

The Community Foundation is classified as a public charity under Section 501(c)(3) and Section 170(b)(1)(A)(vi) of the Internal Revenue Code. This status affords donors tax deductions for income and estate tax purposes to the maximum extent permissible under current tax law.

### **Special Tax Benefits**

Donors contributing appreciated assets to the Foundation receive the following benefits: (1) capital gains taxes will not be levied on the donated property, and (2) an income tax deduction can be taken on the full, fair market value of the gift. These advantages apply if the assets have been owned for the requisite period of time (currently for at least one year and a day).

### **Tax-Sheltered Growth of Funds**

Contributions to charitable funds within the Foundation grow tax free. This means that donors are able to build charitable reserves in their names without incurring additional taxes.

### **Choice of Charitable Beneficiaries**

Donors are able to realize most charitable intents by designating the organizations or the philanthropic purposes to be served by their fund. Through the Foundation, donors have the freedom to structure funds to accomplish their charitable objectives.

### **Economies of Scale**

We strive to offer a better investment return to each participating fund within the Foundation through: (1) the pooling of assets, (2) the diversification of investments and (3) the reduction of costs to any one fund through shared expenses.

### **Recognition**

Funds may be established in the name of the donor, the donor's family, a friend, a business, a charitable purpose, or another organization. Those establishing endowment funds are guaranteed perpetual recognition through publications and through the annual distributions of grants in the name of the fund. Conversely, the Foundation understands and respects a donor's wish for anonymity and will administer such gifts accordingly.

### **Flexibility**

The Foundation carefully adheres to the terms of all gifts entrusted to its care. If the original purposes of a fund become obsolete or incapable of fulfillment, the Foundation has the responsibility to redirect the fund to other related purposes. That power is used sparingly and donors may rest assured that the spirit of their charitable objectives will be represented in perpetuity.

### **Accountability**

Annual reviews through board oversight, filing of tax returns, public disclosure of all grant activity, and careful selection of board members ensure continued use of funds in the public interest.

### **Foundation within a Foundation**

Affiliation with the Foundation offers the advantages of a private foundation without the attendant expense and time commitment. We relieve donors of the complications of administering their own foundations by assuming full responsibility for the efficient, prudent management of each fund entrusted to our care.

## **TYPES OF FUNDS**

Donors can realize nearly any charitable intent by choosing from the variety of fund types offered by the Foundation. These fund types can be created as (1) "endowment funds" which are structured to serve their charitable purpose(s) in perpetuity or as (2) "pass-thru funds" which are temporary charitable vehicles that close upon the fulfillment of their purposes.

### **Unrestricted Funds**

Unrestricted Funds permit the Foundation the greatest flexibility in responding to present and future charitable needs within the Foundation's service area. Donors establishing unrestricted funds rely on the expertise of the Foundation board and staff to identify and evaluate the most effective uses for the fund.

### **Field Of Interest Funds**

These types of funds enable donors to choose a particular field of interest, such as youth, education, senior citizen needs, the arts, etc. The Foundation evaluates needs within the specified field and responds to those needs in the name of the fund.

### **Donor Advised Fund**

Donor Advised Funds allow donors to make suggestions for distributions to meet current needs. Although Internal Revenue Service regulations require these suggestions to be nonbinding, each suggestion receives serious consideration by the Foundation's Board of Directors.

### **Restricted Funds**

These funds are designed to benefit specific charitable organizations such as a non-profit agency, a civic institution or a religious house of worship. If a specific beneficiary of a fund ceases to exist, the Foundation will follow the original intentions of the donor by identifying organizations of similar purpose. Thus, donors have the assurance that their charitable objectives will continue to be fulfilled.

### **Scholarship Program Funds**

The Community Foundation can administer scholarship programs. Many donors create Scholarship Funds as memorials to loved ones and friends. Donors have the option to define the criteria of their funds (e.g., to serve students entering a particular field of study or graduating from a specific high school, etc.). Scholarship Funds can be structured to reflect most charitable objectives or can be left "open-ended" to give the Foundation latitude in the selection of deserving students.

### **Grantmaking Program Funds**

The Community Foundation is able to award charitable grants to the community due to the thoughtfulness of donors who have contributed to one of our unrestricted funds and also through the generosity of individuals who have created their own charitable funds which support our discretionary grantmaking program.

### **Agency and Institutional Endowment Funds**

The Community Foundation manages the endowments of many organizations. These funds are structured to serve their intended charitable purpose(s) in perpetuity. The amount available for distribution is carefully established by the Foundation to ensure the preservation and long-term growth of each endowment fund. Through affiliation with our organization, the agency is relieved of the accounting and reporting requirements which accompany the management of an endowment. Finally, since the assets of the Foundation are pooled for investment purposes, each endowment is able to benefit from a more diverse investment portfolio.

### **Administrative Funds**

Funds assisting the Foundation in its work enable our organization to maintain modest levels of fees for services to the community. Your Administrative Endowment Fund will receive ongoing recognition in the Foundation's Annual Report and will ensure our ability to maximize grant payouts to the community.

### **Combination Of Charitable Purposes**

If you wish to support several charitable causes, it is possible to design a fund which will distribute a combination of charitable grants each year. For example, a percentage of your fund's annual income can be distributed to a specific charity and the balance can be reserved for scholarships. Or, set percentages can be awarded to specific charities with the balance earmarked for a particular field of interest, such as senior citizen needs or the environment. We welcome your participation and creativity in the design of your charitable fund.

## WAYS TO GIVE

Gifts of any amount to an existing Foundation fund are always welcomed and valued. Or, donors may wish to establish their own fund. A modest administrative fee is charged for the services provided to these funds. Your gift may be made in one or more of the following ways.

### Cash

A gift of cash is the simplest and most convenient way of giving to the Foundation. Cash can be given in the form of currency, checks, or money orders. Checks or money orders may be made payable to the Community Foundation of South Central Kentucky or to the fund designated to receive the gift.

### Securities

Gifts of appreciated securities provide considerable advantages to donors. When securities have been held for the required period of time, a donor can deduct the full fair market value of the gift and avoid a capital gains tax on the appreciated amount of the securities.

### Bequests

Many donors have created funds within the Foundation through a bequest. Bequests to the Foundation are not subject to estate or inheritance taxes, thus ensuring the maximum benefit to your charitable fund.

### Life Insurance

Gifts of life insurance allow donors to make sizable gifts at relatively low cost. By assigning ownership of a life insurance policy to the Foundation, you receive an immediate tax deduction and eliminate the proceeds of the policy from your estate. All premium payments made by you thereafter will also be tax deductible, subject to Internal Revenue Service limitations.

### Charitable Remainder Trusts

Charitable Remainder Trusts enable donors to transfer assets to a trustee to be held on behalf of specified beneficiaries during the trust's lifetime. You receive

an immediate federal tax deduction for the year the trust is established, subject to Internal Revenue Service limitations. Distributions of income from the trust will be made to you and/or to other beneficiaries for the life of the trust. When the trust terminates, the proceeds will be used to create a charitable fund in your name or in any other name as designated in the original trust agreement.

### Charitable Lead Trusts

A Charitable Lead Trust is the reverse of a Charitable Remainder Trust. This type of trust allows for payments to your charitable fund within the Foundation for a specified number of years. Upon termination of the trust, the principal is paid to you or any other non-charitable beneficiary you select. This vehicle is especially useful for property that has the potential to significantly appreciate.

### Transfer of Charitable Trusts

The Foundation provides for the efficient and cost-effective management of charitable trusts. Such arrangements enable a maximum flow of charitable dollars to the community.

### Private Foundation Transfers

Maintaining a private foundation can be burdensome and costly. By transferring the assets of a private foundation to the Community Foundation, you can benefit from tax and administrative benefits while retaining the original purpose and identification of your foundation.

### Corporate Giving

Corporations can ease the administrative work required to manage their charitable giving program by creating a fund within the Foundation. All paperwork, acknowledgments, filing of government forms, and audits are handled by the Foundation. Corporations continue to receive recognition of their philanthropic generosity, unless anonymity is requested.

### Other

Contributions of real estate, closely held stock, are other ways of creating a fund within the Foundation.

## The charitable funds that make up your Community Foundation

*Anyone can make a gift to the Foundation. Donors to the Foundation come from a variety of backgrounds with a common commitment to the community's well being. Whether creating a named fund, contributing to an existing fund, making a gift in memory of a friend or loved one, or making an unrestricted gift, every person in the community can make a difference.*

## Strength in Numbers

Charitable dollars brought together become powerful. Community Foundation trustees manage them carefully, because wealth earned and generously given away is a solemn trust to us. And we're mindful, always, of how much these resources will be needed in the future.

## The Community Foundation of South Central Kentucky

Condensed Balance Sheet - December 31, 2016

Donor Advised Fund - \$1,479,872.93

Grant Making Program Funds - \$1,741,227.41

Administrative Funds- \$178,060.83

Non Profit & Institutional Funds- \$2,813,174.71

Scholarship Funds- \$255,510.68

Total Assets- \$6,467,846.56

## Foundation Highlights 2016

Total Assets- \$6,467,846.56

Rate of Return - 8.97%

Grants Awarded- \$460,408.81

Cumulative Grants awarded since inception- \$1,800,803.81

Our "Family of Funds" now totals - 41

## How your Community Endowment is invested

Community Foundation resources are managed differently than personal assets and retirement accounts. And they are managed differently than the short-term cash a nonprofit or business invests to cover payroll, rent, program delivery, or inventory.

The Community Foundation's endowment pool doesn't have a life expectancy. It won't retire in 5, 10 or 25 years. Rather, it has a forward rolling investment perspective that is constantly looking 40 years or more into the future. Set and monitored by our investment Committee, the allocation guides us in keeping our investments diversified to mitigate risk. See "Our asset allocation".

## Asset Allocation

Asset Allocation Strategic Allocation

Cash and Equivalents 5%

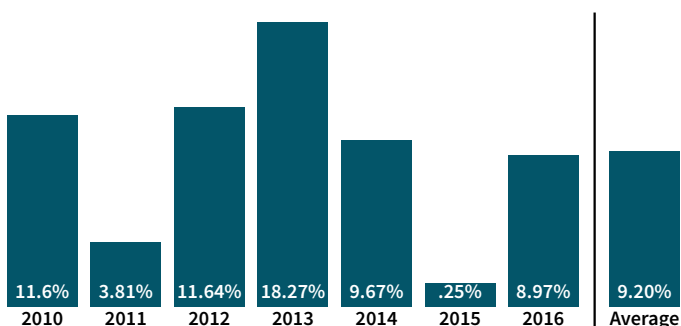

Fixed-income (Bonds) 35%

Equities (stock)

Domestic Large Cap 40%

Domestic Mid/Small Cap 10%

International 10%

## Board of Directors 2016

These people are guiding and building your Community Foundation, making sure it is strong, useful, and permanent.
