ANNUAL REPORT 2018

WHO ARE WE?

The Women's Fund is an initiative to bring women together for the purpose of "making a positive impact on the lives of women and children of South Central Kentucky, now and forever" by collectively funding significant grants to charitable organizations with the same purpose.

WHAT IS A FUND?

The Women's Fund is both a permanent endowment fund and a nonpermanent fund established to benefit women and children; it is housed within The Community Foundation of South Central Kentucky. The permanent fund is building a legacy that will impact the lives of women and children in our area forever! The nonpermanent fund provides a significant financial grant annually.

HOW ARE FUNDS GRANTED?

At the end of each grant cycle, an annual dinner of the membership is held, where four (4) grant finalists are invited to make a presentation about their funding request. Each member will cast their one (1) vote in person or by proxy at the annual dinner. The recipient of the grant will be determined by majority vote of the fund members, and the grant recipient will be announced and awarded that day.

HOW CAN I BECOME MORE THAN A MEMBER?

Volunteer for one of the many committees. To find out more go to www.cfsky.org and click on the Women's Fund tab. All Committee members must be Women's Fund members and are asked to commit to serve a minimum of two years.

I am honored to lead our community of believers in making a difference now and forever. With generous hearts, the Women's Fund of South Central Kentucky has awarded over \$583,640 in grant monies and our endowment is now over \$850,000. Also, over 430 women in our area are now contributing and participating in the collective giving spirit.

This is just the beginning. We continue to build a vibrant and engaged membership committed to improving the lives of women, children and families. We hope to inspire others in our community to join us.

I would like to thank the special women that serve on our advisory board and other various committees as well as the Community Foundation. Their tireless efforts make our community a better place to live and we should all be forever grateful. These ladies have truly been a catalyst for positive change and will strive to leave our community better than it was found.

The Women's Fund is providing a platform here in South Central Kentucky to pay it forward and give back. It has been a tremendous honor and privilege to serve as chairperson over the last two years and do my part in spreading the awareness of our mission, challenging women to get involved and giving back.

We are put on this earth to make a difference and **I AM** a member of the Women's Fund of South Central Kentucky now and forever

Love, live and give all you can give—
Page Beard, Women's Fund Advisory Board Chair

2017 IMPACT GRANT RECIPIENT UPDATE:

BOYS & GIRLS CLUB FRANKLIN-SIMPSON MASON GOODNIGHT TEEN CENTER

A sweet, blonde-haired boy's words will never be forgotten by his dad: when Mason Goodnight hugged Jef after Jef didn't win the Impact Grant in 2016 Mason said, "You'll win next year, Dad." Mason was right.

When Jef Goodnight, Chief Professional Officer of The Boys and Girls Club of Franklin-Simpson, and his team presented at the Annual Dinner in 2016, their passion to make a positive impact for the kids at the Club was very evident.

In fact, they highlighted that The Boys & Girls Club serves an average of 259 kids daily with a total of 613 kids coming at least once a week. Not only do they provide a safe environment for these children after school, but the Club also provides a tutoring program, hands-on gardening experience, and nourishing meals from local churches three days a week. One of the crucial programs they specifically offer teens is the Bridge Academy, which partners with local community members to help teens with resume building, applying for scholarships, mock interviewing, and much more.

Jef and his team presented again in 2017; this time, however, their passion was much more personal: the Club's goal became not only to add a new teen center but also to carry on the legacy of Goodnight's son. Mason passed away suddenly the previous April after contracting meningitis. Mason is greatly missed, but his legacy will continue through The Mason Goodnight Teen Center.

The Women's Fund of South Central Kentucky is honored to be a part of this legacy, and we cannot wait to hear about all of the positive ways the teens in Franklin-Simpson will be impacted.
