I am... humbled and so grateful for the commitment and support from our members for the Women's Fund. In just nine years the Women's Fund has awarded over \$867,000 in grants, and we have grown our endowment to a little over \$1,600,000. The Women's Fund has a membership of over 300 generous, caring, and focused women who are committed to improving the lives of women, children, and families in South Central Kentucky. I am thankful for each and every one of you—your commitment to the Women's Fund has enabled us to have such an amazing impact in our community. I also want to express my sincere appreciation to all the women who serve on the advisory board and our committees; your tireless efforts, creative spirit, and passion for giving are

so inspiring. Your dedication, along with the commitment from our membership are the foundation of everything we have been able to accomplish.

While 2020 was such a challenging year for so many, we had hoped that in 2021 we would see our community recover. However, due to the continuing impact of the Covid-19 crisis in our community and the impact on many of our local nonprofit organizations, the Women's Fund Advisory Board agreed to a modified 2021 grant process. The 2021 grant process will award six grants to nonprofits that benefit women, children, and families in South Central Kentucky. The six impact grants to be awarded this year are: \$60,000, \$30,000, \$20,000, \$15,000, \$10,000, \$10,000, for a total community impact of \$145,000.

With this 2021 grant of \$145,000, the Women's Fund will have granted over \$1,000,000 to organizations in South Central Kentucky.

Thank you for your membership and your commitment to the Women's Fund. Every member is important in achieving our **impact** for women, children and families. Please join me in continuing to support the Women's Fund efforts in our community. To quote Helen Keller "Alone we can do so little; together we can do so much."

## WHO ARE WE?

The Women's Fund is an initiative to bring women together for the purpose of "making a positive impact on the lives of women and children of South Central Kentucky, now and forever" by collectively funding significant grants to charitable organizations with the same purpose.

## WHAT IS A FUND?

The Women's Fund is both a permanent endowment fund and a nonpermanent fund established to benefit women and children; it is housed within The Community Foundation of South Central Kentucky. The permanent fund is building a legacy that will impact the lives of women and children in our area forever! The nonpermanent fund provides a significant financial grant annually.

## HOW ARE FUNDS GRANTED?

At the end of each grant cycle, an annual dinner of the membership is held, where four (4) grant finalists are invited to make a presentation about their funding request. Each member will cast their one vote in person or by proxy at the annual dinner. The recipient of the grant will be determined by majority vote of the fund members, and the grant recipient will be announced and awarded that day.

## HOW CAN I BECOME MORE THAN A MEMBER?
